MOROCCO AND ARMAGEDDON

By

E. D. MOREL,

Author of "Morocco in Diplomacy" (cheap edition), just issued as "Ten Years of Secret Diplomacy."

"Our chief propaganda must thus be with the Foreign Offices of the Powers. It is they which need missionising as much or more than the heathen. They are all, through designs upon others, through their efforts to advance their own supposed interests, the great enemies of peace."

—*Rear-Admiral F. E. Chadwick, in the American Journal of International Law. January, 1913.*
